

# Biofinity Energys™

The world's only contact lenses with Digital Zone Optics™.  
Designed for today's digital life.

Biofinity Energys® are monthly contact lenses designed to tackle eye tiredness and eye dryness associated with everyday digital device use<sup>1,2</sup>

Biofinity®—committed to innovation, committed to comfort. Using digital devices for more than two hours a day puts you at risk of tired and dry eyes<sup>3</sup>

Digital Zone Optics™ lens design helps reduce the feeling of eye tiredness<sup>1</sup>

Aquaform® Technology retains moisture to help minimise eye dryness<sup>2</sup>

High breathability: allows 100% of the oxygen to reach your eyes<sup>4</sup>, to help them stay clear and white\*\*

## Replacement Schedule

 Monthly
