

Proclear[®] 1 day

Clear vision*, convenience and comfort, for contact lens wearers who experience eye dryness.

CooperVision[®]
Live Brightly.[®]

If you're short-sighted or long-sighted and love the convenience of daily disposable contact lenses but experience eye dryness and irritation during lens wear, CooperVision[®] Proclear[®] 1 day contact lenses may help. They're made with PC Technology[™] which was specially created for contact lens wearers like you; it attracts water to your lenses, helping them remain fresh and comfortable all day long. Focus on life and not on your contact lenses with Proclear[®].

The features you'll love

- PC Technology attracts water to each Proclear contact lens, creating a shield of water around it. This helps your lenses stay hydrated, so they feel moist and comfortable throughout the day.
- The Proclear lens material helps you avoid eye irritation by resisting deposit build-up over the course of your day.
- Convenient daily replacement schedule with no cleaning required.

* Due to aspheric optics.
