CooperVision[®]
Live Brightly.[®]

Clear vision¹ and comfort for contact lens wearers who experience eye dryness.

If you're short-sighted or long-sighted and experience eye dryness and irritation during lens wear, CooperVision[®] Proclear[®] contact lenses may help. They're made with PC Technology[™] which was specially created for contact lens wearers like you; it attracts water to your lenses, helping them remain fresh and comfortable all day long. Focus on life and not on your contact lenses with Proclear.

The features you'll love

- Provides clear vision for contact lens wearers who are short-sighted or long-sighted.
- PC Technology attracts water to each Proclear contact lens, creating a shield of water around it. This helps your lenses stay hydrated, so they feel moist and comfortable throughout the day.
- The Proclear lens material helps you avoid eye irritation by resisting deposit build-up over the course of your day.
